Being the Alpha Female with Care, Compassion and Respect

Just because you're dominant, controlling and bitchy doesn't make you a leader! Most strong women lead multiple packs; work, home and community. But success doesn't always come from barking out orders and standing your ground. In this fun and lively program Lori sheds light on true alpha behavior and what it takes to lead your pack with care, compassion and respect for you *and* your pack members.

ANYTHING is possible: Once you upgrade your operating system

Are you living by the same principles and beliefs you were taught as a child? Early programming can weigh you down and make it feel impossible to reach your dreams. Get the inspiration and tools you need to shift your life and mindset to achieve *anything* you want. When you believe—anything *is* possible.

GPS to Success: 3 Powerful Strategies to Bring Your Future into Focus

What do you want of in life, more time, more money, more confidence, a better relationship? In this interactive and inspirational program Lori shares the fundamentals to create **serious** success. She shares incredible real stories (including her own) that demonstrate the power of applying Jack Canfield's *Success Principles* along with her unique strategies to turn your dreams into realities. Attendees will leave with clearly defined steps to get unstuck, think BIG and take immediate action to live a MAGNIFICENT life.

Deliver life-changing memories and results!

B. A. L. A. N. C. E. — Find out Where it is for ME

Aretha was great at asking for r.e.s.p.e.c.t. But women may find themselves asking for balance—just a little, which can be the difference in leading a healthy, content life. Women often excel at nurturing everyone else, but are not so good at finding, or maintaining any sort of balance in life. One of the biggest issues is managing priorities. Is it work, family, soccer practice, or caring for troubled teens and aging parents? Lori gets you laughing, and shows you how to get more satisfaction from your life.

Three Secrets to Sanity, Success and Happiness...for Busy Women

Just can't see to get yourself off the treadmill? Stressed out, worn out and forgot where you left what you're passionate about? In this fun and interactive program Lori will share her top secrets. You'll learn to balance your competing priorities, reduce stress, and develop a clearly defined vision of what success is for you—and how to create it!
