Lori integrates a unique blend of East meets West to create help women create success.

Why Clients Hire Lori

"Lori Hanson's closing keynote for the ADA's Health and Well Being Conference was the best program of the conference. She will challenge, entertain and inspire your audience into action."

Craig S. Armstrong DDS, Chair of the Dental Health and Wellbeing Advisory Subcommittee, ADA

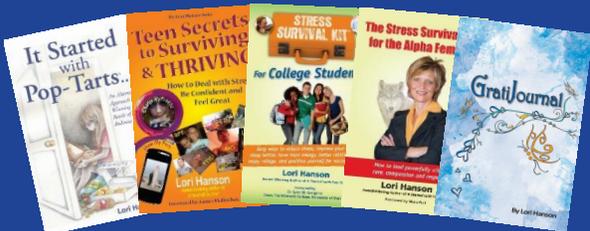

"If you're looking for someone to jump start and empower your team to get them to achieve their goals then I highly recommend you hire Lori Hanson. She is amazing!"

Debbie Trujillo, VP, Community Relations Director, KeyBank

"Lori started our morning off with a lot of energy and enthusiasm, we heard great feedback from our participants after her keynote; they were really energized and excited for the day. We were excited to have Lori kickoff our 1st Women's Leadership event."

Kara Stoller, CEO, Steamboat Springs Chamber of Commerce

Lori's Signature Keynote Programs

Go for GOLD

4 Simple Steps to Train Your Brain for Success

Have you ever watched an elite athlete and wondered how they achieve the unbelievable things they do? Great athletes have powerful minds they can count on when a loss seems imminent. In this fun and interactive keynote, Lori gives you a proven 4-step process for creating a powerful, focused mindset that will get you the win and create success in your personal and professional life.

Solutions: moving past fears, eliminating doubts, getting unstuck, finding motivation, how to perform at the highest level.

The Success Principles™: How to Get from Where You Are to Where You Want to Be

What does it take to look beyond your limitations and believe in yourself? In this high-energy keynote Lori shares the combination to unlock the GPS to your success. She has studied Jack Canfield (Chicken Soup books) since '96 after an abusive marriage, to improve her self-esteem and create success. In this Canfield inspired program, Lori shares the keys that take you from where you are today—to where you want to be. Lori is certified Success Principles Trainer.

Solutions: tools to set and reach goals, proven process to improve confidence, reduce fears and get into action.

Leader of the Pack

Nurturing Your Alpha Female Instincts

You've seen her, watching her in action is amazing—how she takes control, manages the team eloquently and firmly. What does it take to be a well-respected Alpha Female? (Being dominant, controlling and bitchy doesn't make one the Alpha!) The pack follows the Alpha because of her strength, fierce loyalty to the pack and willingness to stand her ground. Learn to nurture your natural leadership instincts, decrease the drama and stress and improve your courage, confidence and balance.

Solutions: improving confidence and courage, empowering women to be bold, trust their instincts and lead while following their path

Unlocking the Mystery of Mindset

How to go from that's impossible to—I'm UNSTOPPABLE!

Why do some people always win while others continually struggle? If you've ever experienced failure, or embarrassment—you may have subconsciously decided to avoid that again at all costs! To create a higher level of success might feel impossible. The road to improving results in your personal or professional life lies in your I-sight, creating 2020 vision from the inside out. It is essential to being creative, authentic and always believing in yourself.

Solutions: how to shift worry, anxiety and negative thinking, letting go of the past, entertaining possibilities, accessing your brain's superpowers
