## Lori Hanson, *The Success Whisperer*

Lori Hanson is an expert at mindset and success. Her passion is helping female business leaders define, create and *live* the life that fulfills them. Her expertise is helping women elevate their voice and empower their results in life, leading from the heart. She has touched 1000s of people globally in 13+ years as a keynote speaker. She's coached more than 200 clients to define and create their success story and live their dreams. Lori is the award-winning author of 5 books, she knows personally there are NO limits.

## Keynote Speaker

People are drawn to Lori—and she loves connecting with them from the stage. She talks on **success**, **mindset**, and building a solid foundation to help strengthen your voice, breakthrough barriers and fear and create *next*-level success. Lori integrates a unique blend of East meets West to create success, (blending alternative with corporate). She shares proven habits used to create success in an inspirational way that attendees readily use. Audiences leave inspired to create *their* winning strategy, sharpen their competitive edge and attain success.

## Executive Performance Coach

Founder of Lori Hanson International, Lori helps female business leaders through her transformational Executive Performance Coaching programs, Mastermind and women's retreats. Much more than a life or business coach, Lori integrates nutrition, mindset and strategy to build the foundation for success. Clients create next-level results rapidly working with Lori: more balance, less stress, more confidence and reaching their biggest goals.

## Award-Winning Author

The author of five books including Stress Survival Kit for the Alpha Female and the GratiJournal, Lori has appeared on radio and television programs internationally and has been featured in Essence, New Living Magazine, Wellness Women 40 and Beyond and monthly newspaper columns to bring awareness to live without limits.
