Lori Hanson, *The Success Whisperer*

Lori Hanson is The Success Whisperer. She's committed to helping executives and leaders unleash your voice, gain trust and respect, shift your mindset to create success. She has touched 1000s of people globally in 15 years as a keynote speaker and executive performance coach.

Keynote Speaker

Lori is a master at setting the stage with an interactive opening keynote that sets the tone for the day and inspires your attendees. Regardless of audience size or occasion, she is high energy and has easy-to-use tools to help you shift your mindset to improve confidence, gain more trust and respect in the workplace, ask for what you want and get it. Your audience leaves engaged and ready to take action.

Executive Performance Coach

She left her successful career in high tech sales and now coaches her clients to shift their mindset, clearly define what they want, let go of limitations and create results. She integrates nutrition to build a solid foundation. She delivers her programs through private and group coaching, seminars and retreats.

Award-Winning Author

Author of 5 books, Lori appears on international radio & TV. Lori is a columnist for national magazines. She is passionate about helping people see that you have NO Limits.
