

## High-Impact Keynote Speaker | Culture Strategist | Executive Advisor

They call her *The Success Whisperer*.

Lori Hanson is a high-impact keynote speaker, leadership and culture strategist, and executive advisor who transforms the way leaders think, communicate, and perform.

A former corporate leader turned award-winning author of six books, Lori brings decades of real-world business experience, neuroscience-based mindset strategies, and contagious energy to every stage. She empowers leaders—especially women in executive roles—to rise above burnout, bias, and self-doubt and lead with influence, confidence, and authenticity.

Known for her dynamic, interactive style, Lori delivers programs that go beyond motivation—she equips audiences with actionable tools to create measurable change in their leadership, teams, and culture. Her insights have inspired audiences and companies of all sizes, women's leadership conferences, and professional associations nationwide.

Whether she's helping women reclaim their confidence or guiding leadership teams to build cultures of trust and resilience, Lori has one mission: to help every leader unlock their highest potential—and whisper success into every corner of your organization.
